Dear Emma

Thank you for all your hard work and support in the lead up to our wedding in October.

I spent a lot of time and effort looking for suitable stationery, even visiting the National Wedding Show at Olympia twice, and didn't see anything that even came close to the beautiful designs you made for us – they were exactly what we had envisaged but couldn't find. We were over the moon with the service and stationery you provided. Everyone commented on how lovely the invitations and reply cards, menus, place cards and table plan were and how well they complemented our theme. Your visits to my mother's house to discuss each stage were much appreciated especially the day after my Hen Night!

Please feel free to offer my contact details to anyone who requests a reference from you, after everything you did for us I am only too happy to sing your praises. Good luck with the future of your business Emma, you deserve to do exceptionally well.

Kind regards
